

One-Stop Shopping: Grantee Wish Lists

From time to time, we get requests from our grantees for volunteers who are willing to participate individually in their organizations, on boards, committees, or on special projects. In our efforts to maximize TPC's value to our grantees, we routinely publish and update these requests in the Wish List section of the Grantee area of our website. Below are the current opportunities for TPC members to fulfill these Grantee wishes by volunteering time and talent. As always, watch your email for notices about upcoming TPC Volunteer Day events!
